# LIFT UP A GENERATION

The world can not clearly see  
God's Kingdom in advance  
Or follow its course  
By mere human glance.

God's work done in secret  
In time shall appear clearly  
Child's great education  
Amidst poverty.

Let the world certainly see  
What St. Luke's alumni can be  
For the seeds planted in each soul  
Is the country's hope for all.

Through the sharing of our strength  
We lift a generation  
And upon our parting glance  
We witness God's Kingdom has advanced.

“Real generosity towards the future lies in giving all to the present.”

-Albert Camus

Please join us to support this year’s SLANF/USA Endowment Fund. Administered by the United Board of Christian Higher Education in Asia (UBCHEA), this promises to be an exciting, ongoing project. Each and every dollar is tax-deductible and helps build a future that surpasses our greatest expectations.

The endowment fund is, by nature, a perpetual gift to the college. A portion of the interest is invested in the St. Luke’s College of Nursing. Our inaugural project addresses the first \$100,000. It will sponsor a deserving student with an award from the Dean Ester Abellera Santos Scholarship Fund.
