Compassion and Love**

Nostalgia and longing grips us during reunions.

Gatherings transport us to a shared past of home in humble ways that only with the Diaspora Experience can relate.... just ours.

This simple exercise is the gateway to our memories. Nothing is lost.

The past instructs us -- the past upholds us. We, are creating the past for our children...the generation after us.

Remember and tell those stories.... This event can be part of their story.

*"Ang nakaraan ay hindi nawawala - Nakakalimutan Lamang ..."*  
"The past is never lost - It is just forgotten..."
