MESSAGE FROM VISITACION SALAZAR-PLURAD, '72

We are all excited about the Centennial Celebration of our dear Alma Mater, the St. Luke's Hospital School of Nursing, now Trinity University of Asia, St. Luke's College of Nursing. From 1907 when our school started with three of our first graduates, we have come a long way to become one of the Top Performing Colleges of Nursing in the Philippines. You have been an important part of its development and your successes in life have contributed to the prestige and reputation that our college now enjoys.

We are celebrating our Centennial Year with the theme "100 Years of Excellence and Service". We fervently hope that you will join us on October 5, 6, and 7, 2007 at the Makati Shangri-La Hotel. You will not want to miss this historical milestone.

In this connection, we are preparing a Special Souvenir Program which will serve as a valuable memorabilia of our celebration. We are banking upon your active support through advertisements or greetings and felicitations.

We will appreciate your positive response and thank you very much.

We are looking forward to hearing from you.

Sincerely,

Visitacion Salazar-Plurad, '72
